CIBC ADVISES REINDERS INC. ON ITS SALE TO SITEONE LANDSCAPE SUPPLY, INC.

Milwaukee, Wisconsin, May 1, 2026 – CIBC US Middle Market Investment Banking is pleased to announce that its client, Reinders Inc. (Reinders), has been acquired by SiteOne Landscape Supply, Inc. (NYSE: SITE). CIBC acted as the exclusive financial advisor to Reinders in this transaction.

Reinders is a leading fifth-generation, family-owned distributor of irrigation, agronomics, holiday and landscape lighting, and landscape supplies with 12 locations across Wisconsin, Michigan, Illinois, Indiana, Kansas and Minnesota.

“As a very successful fifth-generation, family-owned company, Reinders is well-known and respected in the green industry for quality and reliability, a commitment to exceptional customer service, and for helping their customers succeed – values that we share at SiteOne,” said Doug Black, Chairman and CEO of SiteOne. “This acquisition expands our ability to offer the full line of landscape supplies to our combined customers, enhances our market presence, and provides an avenue for expansion in the growing Midwest market. We’re excited to welcome Ann Reinders and the talented Reinders team to the SiteOne family and look forward to working together to serve landscape professionals throughout the Midwest and beyond.”

“For 150 years, we have built a name, a brand, and a legacy in the green industry,” said Ann Reinders, Vice President of Operations, who will remain with the business following the acquisition. “While the Reinders family has led the company for five generations, it’s our incredible people who have built the brand. SiteOne is the best partner to continue to further the service excellence and quality products the green industry deserves. I look forward to leading Reinders into our next phase, strengthened by the infrastructure, leadership and people-focused approach SiteOne provides. The Reinders name will continue in the industry under the ownership of SiteOne.”

“Joining SiteOne allows Reinders to leverage the strengths of both organizations to provide superior customer service well into the future,” said Craig Reinders, CEO of Reinders. Craig will move on to lead Spartan Turf Products, the Reinders family Toro distribution business. “The alignment between the core values of SiteOne and Reinders creates a powerful foundation, uniquely positioning Reinders to elevate the level of service and support its customers rely on—now and in the years ahead.”

Ryan OIsta, Managing Director of CIBC US Middle Market Investment Banking (MMIB), stated, “CIBC was honored to represent Reinders in this important transaction. Reinders is a special

company as the market leader in services, expertise, and reputation in its geography. The Reinders transaction is another example of CIBC's growing, multi-decade track record of serving distribution clients."

About Reinders

Founded in 1866 in Elm Grove, Wisconsin, Reinders is a leading distributor serving the commercial green industry across the Midwest, offering a comprehensive range of irrigation products, fertilizer, chemicals (including herbicides and fungicides), holiday and architectural lighting, grass seed, erosion control solutions, landscape lighting, ice control, and other products. With over 150 years of industry leadership, Reinders is known for its technical expertise, rapid on-site diagnostics, and tailored product recommendations from a team of highly trained specialists.

About SiteOne Landscape Supply

SiteOne Landscape Supply (NYSE: SITE), is the largest and only full product line national wholesale distributor of landscape supplies in the United States and has an established presence in Canada. Its customers are primarily residential and commercial landscape professionals who specialize in the design, installation and maintenance of lawns, gardens, golf courses and other outdoor spaces.
