**CIBC ADVISES ZANDER SOLUTIONS
ON ITS SALE TO AN UNDISCLOSED FAMILY OFFICE**

Milwaukee, Wisconsin, March 9, 2026 – CIBC US Middle Market Investment Banking is pleased to announce that its client, Zander Solutions, has been acquired by an undisclosed family office. CIBC acted as the exclusive financial advisor to Zander Solutions in this transaction.

Zander Solutions is a provider of critical, non-discretionary waterproofing and building envelope services for new and existing facilities with two locations in Wisconsin. The new partnership positions Zander Solutions to leverage its broad capabilities and decades of institutional knowledge to expand its geographic coverage, further diversify its end market footprint, and grow within the evolving building envelope services segment.

Dave Wilder, CEO of Zander Solutions, was emphatic, “We sincerely appreciate CIBC’s efforts to find us multiple potential buyers to explore a partnership with. The family office that ultimately prevailed in the process is a perfect partner and a great cultural fit with Zander. We are excited and energized to continue our growth within the building envelope space with them.”

Stephen Altman, Managing Partner at Cornerstone Capital Partners, Inc., said, “We want to thank the CIBC team for running an efficient process and finding the right buyer – one that’s a strong fit for Zander Solutions and its management team. CIBC’s work made a real difference in the successful outcome and we are very thankful for their partnership.”

CIBC was retained by Zander Solutions to serve as the exclusive financial advisor. The transaction builds upon CIBC’s significant momentum advising clients providing services spanning commercial, residential, and industrial segments. Our highly experienced team of bankers have completed M&A transactions across the built environment from building products manufacturers to distributors and service providers. The sale of Zander Solutions is a further example of the firm’s ability to deliver successful outcomes for high-growth clients within the sector.

Patrick Bremmer, Managing Director of CIBC US Middle Market Investment Banking (MMIB), stated, “CIBC was honored to represent Zander in this important transaction. The transaction is a testament to Zander’s multi-decade reputation as a go-to building envelope services company and a dedicated management team that is excited to continue building a larger platform to serve customers.”

About Zander

Founded 40+ years ago, Zander is a leading provider of critical, non-discretionary waterproofing and building envelope services for new and existing facilities to general contractors, home builders, and homeowners.
